STEEPLECHASE, FLAT RACES WILL FEATURE WEST'S BEST HORSES

Some of the finest horses in the country will be seen in action at the second annual race meeting of the Menlo Park Steeplechase and Racing Association on the "Old Hacienda Ranch" property of Stanford University next Sunday afternoon. There will be seven events on the card, and the first race will be called at 2:15 o'clock.

"Useful," the Irish steeplechaser owned by Miss Grace Hamilton, which won the Del Monte gold cup last Sunday, will have a battle on her hands to repeat, with a fast field pitted against her in the Menlo Park classic, including "Oui Monsieur," a great 'chaser owned by Sidney Fish of Carmel; "Lizard," the $50,000 eastern winner owned by Miss Josephine Grant; Adolphus, also owned by Miss Hamilton; "Phil McCann," owned by Robert Rowen of Pasadena; "Cockinella," a hunter that has followed the hounds for two years in England and which is owned by Louis Rowan of Pasadena; "Ketchup," owned by Mrs. W. P. Roth and "Judith," owned by Charles E. Perkins of Santa Barbara, as well as many other entries.

Matson 'Chase Feature

"Mail Box," from Miss Christine Donohoe's stables at Menlo Park, will not compete. The gelding which Bert Gough, gentleman rider, rode to fourth place in the DuPont Cup race at Santa Barbara two weeks ago, is suffering from a cracked tendon.

The principal event will be the Matson Memorial Steeplechase, for a $2,000 trophy. The course is two and a half miles over brush—in all about 18 stiff jumps. The other events will be divided between more steeplechases, flat races, ladies' races and polo pony events.

BARKING OF DOGS ANNOYS CHICKENS

BELMONT, April 7 — Because his business depends upon the production of eggs and because the barking of at least 20 greyhounds quartered at kennels adjoining his ranch puts his chickens in a negative frame of mind when it comes to laying eggs, A. Mock has asked the city council to reimburse him for damages to the extent of $500.

It might be different if there were only three dogs and six pups under six months of age, because an ordinance passed in November allows that number with a kennel permit.

But Mock is certain that no less than 20 hounds join the howling chorus each day or night or whenever chickens are supposed to have their minds on their work.

The council authorized Chief of Police Irvin Hansen to investigate the number of dogs at the kennels, which are being operated without a permit and must be vacated unless one is obtained.

The request of Fire Chief William Neilsen and John Herringer, fire commissioner, for the passage of a weed abatement ordinance resulted in a suggestion by City Attorney Albert S. Mansfield that a proclamation asking the co-operation of citizens in the matter be issued.

Ordinance No. 28, providing for the inspection of slaughter houses within the city limits, was adopted. An ordinance regulating the attendance of minors at the dog race course without their parents was given its first reading.

The resignation of Horace Duckenfield as a member of the city planning commission was accepted.

Claude Sorensen of San Carlos, commander of the Belmont American Legion Post, No. 377, issued an invitation to the city councilmen and their friends to attend the formal opening of the new legion hall on Ralston boulevard on April 16.

Ralph Redfield asked for a permit to operate a riding school and stables on the old Pullman estate. The matter was laid over until the next meeting awaiting the report of Councilmen James P. Halloran and C. J. Messner.

Mrs. A. C. Schmall's request for a permit to operate a dog kennel was laid over for 10 days pending the filing of possible protests, according to the terms of a city ordinance.

Hit-Runner Strikes Woodside Road Man

William McCoy, 64, of Woodside road, was taken to the Community Hospital for treatment last night for a fractured right ankle and cuts and bruises when he was struck by a hit-run driver, according to reports on file here with Redwood City police.

$4000 GIVEN BY CO. BOARD FOR CREATING WORK

The San Mateo County Board of Supervisors on Monday, after about two hours' discussion of the subject, voted $4000 from the unbudgeted reserve fund to supply immediate "work relief" to the unemployed workers of the peninsula communities.

Dr. C. V. Thompson, Burlingame supervisor, finally brought the matter to a head when he moved that the money be voted. He said that the county will gain $6000 from second installment taxes by April 20, and that it could therefore take a chance and spend this $4000 which just about depletes the unbudgeted reserve.

Supervisor John W. Poole, Redwood City, agreed, and offered the second. The board then voted the funds, though Supervisor T. L. Hickey thought the county was running too close.

The board also revoted the $6000 recently given to the Social Service Commission from the unbudgeted reserve, when it was found that the auditor had not credited these funds because the resolution had been signed by only three members of the board. This sum was voted on motion of Supervisor Hickey, seconded by Supervisor Poole.

Some hope was expressed by Supervisor Rosalie M. Brown, San Mateo, that part of this fund could be used for work relief instead of food relief, but Mrs. Ellen Biber, superintendent of welfare work, said she is not authorized to pay out sums for wages.

Capt. Edward Macauley of Hillsborough, chairman of the unemployment committee, presented two resolution which the board adopted Monday, as follows:

(1) That immediate funds be provided for work relief. This the board did in voting the $4000;

(2) That the board consult with the municipalities and the unemployment committee in drafting its 1932-33 budget so that a co-ordinated plan of relief can be worked out. This the board agreed to do.

Chairman Manuel Francis and Supervisor Hickey welcomed public participation in the drafting of the budget, saying it would then come to the people's attention how difficult is the problem of keeping the tax rates down and yet meeting all demands upon the treasury.

Fred H. Drake, president of the county chamber; Mayors C. A. Buck, Burlingame; A. R. Cotton, San Mateo, and D. R. Stafford, Redwood City; Mona Christensen, North Palo Alto; Sam Merk, San Mateo; Mayor John Quinlan, South San Francisco; J. J. Casey, San Mateo; Mayor W. H. Weeden, Menlo Park; Mrs. E. A. Chase, San Bruno, and others spoke on unemployment.

City Attorney John F. Davis of Burlingame appealed for county funds to help pay for gates at Broadway, which had not been acted on by the board up to noon.

Dr. E. F. Ahnert, at $180 per month, and Dr. Henry Sommer, at $90, were appointed as aides to Dr. W. C. McLean, county veterinarian.

The child's skull was fractured when struck by a car driven by Robert Cucchietti, 16, who, with Clifton Allard, 17, and both their parents, are named defendants.

Attorneys D. A. Ryan and T. C. Ryan filed the action with County Clerk Elmore B. Hinman.

LAST TRACK PHOTO OF PHAR LAP

The turf world suffered its severest loss in a decade when Phar Lap, great Australian turf champion and second largest money winner of all time, died Tuesday of indigestion at Menlo Park. The big "red terror" had just won the $50,000 Agua Caliente Handicap and was training for an eastern campaign when he died. Phar Lap is shown above with William Elliott, his jockey, in the saddle. Upper right is Treve "Tommie" Woodcock, his grief-stricken trainer. Lower left inset is Dr. William Nielsen, Australian veterinarian, who attended Phar Lap in his last illness, and below, inset, is David J. Davis, part-owner of the horse. Doctors denied Phar Lap had been poisoned. His hide will be preserved by taxidermists and returned to Australia.

BOURBON GAIN IS RECORDED IN NEW TALLY

Over 35,000 Citizens Qualify To Vote May Third

Over 35,000 citizens of San Mateo county had qualified today to vote May 3 in the presidential primary and freeholders' election, County Clerk Elmore B. Hinman announced yesterday after a week's exhaustive check of the permanent registration rolls. Registrations closed March 24.

The figure was placed by Chief Deputy Clerk William H. Augustus at 35,316, but this was subject to further revision. This figure represents an increase of 3,000 voters over the 1930 total, which was 32,339 for the November election. In 1928, the county registration stood at 30,159.

While the figures by parties had not been compiled by afternoon, it was reported as certain that a Democratic raid on the Republican ranks would be shown. Just how much gain the Bourbons had made could not be estimated, but will be known by tomorrow, Mr. Hinman said.

PRIZE ESSAYS FOR LIBRARY ARE SELECTED

Winning Posters Are Also Chosen By Judges

Cash prizes were being awarded today to the high school students and elementary school pupils whose essays and posters boosting the new public library project were deemed best by the judges. The contests were sponsored by the chamber of commerce library bonds' committee. The election is April 11.

First, second and third prizes for the best high school essays were awarded to Annette Spohr, Jane Duncan and Billy Dusel, respectively. Honorable mention was given to Lillian Traub, Bernice Alford and Lillian Hardin. Two hundred and eighty manuscripts were submitted to the judges, who were Miss Ann Burns, Miss Wilhelmina Harper and Mrs. A. S. Kalenborn.

First, second and third prize for posters went to Dorothy Sabin, 13; Elaine Antracoli, 13, and Albert Norton, 15, respectively, of McKinley school.

Honorable mention was given to Jane Walkup, 11; Barbara Powell, 13; Yoneko Inouye, 13; Roberta Conner, 12; Loraine Smith, 12, and Ramon Aker, 12, all of McKinley. The judges examined 253 posters. Mrs. Bertha White, Miss Gene Nagel and George McQueen were the judges.

Following is the essay by Annette Spohr, of English III, which won first prize:

Redwood City is a town of beautiful school buildings, modern business establishments, attractive homes, well kept streets bordered with trees and flowers, and a large and growing population. Every advantage as to education is accorded the citizens; that is, everything but a large, convenient library.

When the public library was built in 1905, Redwood City boasted of a population of about 2000. The present population is approximately 9000, and the same library is still in use. The old building has been outgrown, just as have the old school buildings, which have been replaced by others better in every detail. Citizens who are justly proud of the beauties of their town are ashamed of the old, decrepit library, which should be an attractive feature in a town like Redwood City.

Housing about 10,000 books, the present library building is pitifully inadequate for the ever-increasing demands of the public. New people at the rate of about 115 a month join the library, and between 500 and 600 books are checked out each day. The building has a seating capacity of 35, and quite often double that number of people come in the evening to read newspapers and magazines, study, find reference books, and read novels. Of course, when the building is full to capacity, the late comers must be turned away with disappointment

NEGOTIATIONS AUTHORIZED FOR CITY'S ACQUISITION OF SITE FOR NEW RESERVOIR

Main St. Property Owners Protest Against Electrolier Project; Duplex Homes Restricted

Negotiations authorized by the city council Monday night were to be carried on today with W. W. Carson for the acquisition of 4.169 acres of land near the end of Roosevelt avenue, a site needed by the municipality for a new reservoir.

Councilman Paul McCarthy, who, with Counellmen H. A. Beeger and Charles G. Lambert, makes up the committee appointed by Mayor Stafford to secure the site, was commissioned to make a deal with Carson.

Councilman Lambert and Charles Hildebrant thought the figure asked by Carlson was too high, and the former's opinion was that $4500 for the site would be enough. However, several facts were taken into consideration. Severance damages to Carson's property were acknowledged, and, if the sale could be transacted without recourse to long drawn out court proceedings, money would be saved and actual construction of the reservoir started, thereby putting men to work.

The area of 4.169 acres is somewhat less in size than the area previously chosen, so that it was necessary for the council to rescind its resolution of March 21 which authorized condemnation proceedings against the Carson property, and to start new proceedings. Councilman McCarthy made the necessary motions.

Then the council ordered City Engineer C. L. Dimmitt to draw plans and specifications for the reservoir.

Over 50 per cent of the property owners fronting on Main street, between Maple street and El Camino Real, submitted a petition to the council against the plan to improve Main street by the installation of electroliers. The protest was made on the plea of hard times.

No further effort to bring about this improvement will be made at this time by the council, it was agreed on motion of McCarthy, seconded by Councilman George McNulty.

On motion of McCarthy, City Clerk B. E. Myers was instructed to notify Hare, Brewer & Clark that, since they have not induced the Southern Pacific to remove its restrictions on railroad property at the end of Hamilton street, the council desires the return of the deed to the land which the city had delivered to the realty firm conditionally. The Southern Pacific will be notified that the city has undertaken to secure the return of the deed, and that it is the city's intention to make use of it. For some time there has been talk of linking Hamilton street with Pennsylvania avenue.

In a comprehensive report covering the storm sewer situation in the city, City Manager E. A. Rolison saw a bond issue as the only means of handling the problem ultimately.

On motion of Hildebrant, seconded by McNulty, the board denied a permit to Foster & Kleiser to erect a billboard at Main street and El Camino Real.

City Building Inspector I. C. Drathman asked for a ruling in the matter of duplex or two-family houses in the first residential district. On motion of Councilman W. J. Dusel, the council agreed to amend the zoning ordinance to prohibit two-family dwellings in the first residential zone. This follows the recommendation of the city planning commission.

City Attorney Albert Mansfield introduced a new ordinance making it unlawful to put handbills or certain other kinds of advertising matter in automobiles; or to throw them into yards or homes. Newspapers entered as second class matter in the postoffice are exempt, but special advertising pages taken from a newspaper and thrown about as handbills are banned. On motion of McNulty, the ordinance was introduced.

The matter of advertising posters on the streets, and particularly that which is placed on signboards stuck into the holes for flagstaffs in front of each business house, was discussed and met with opposition. The board ordered the chief of police to prevent the erection or maintenance of advertising signs on the sidewalk area of any street. The object of this action is to improve the appearance of the city.

Councilman Lambert asked if it were possible to build tennis courts in California square. Councilman McCarthy, answering, said that the citizens park and playground committee, which studied the recreational area needs of Redwood City for over a year, recommended such courts for Mezes square.

Brother of Roy Cloud Laid to Rest Monday Last at Santa Cruz

The funeral of Charles M. Cloud was held at Santa Cruz last Monday afternoon at 3 p. m. Services at the undertaking chapel were conducted by the rector of the Santa Cruz Episcopal Church at the close of which the Santa Cruz Lodge of Elks took charge and performed the rites of their organization at the Santa Cruz mausoleum.

Charles Cloud was born in Half-moon Bay 60 years ago. He was the son of the late Joseph J. Cloud, for many years county surveyor of San Mateo county. As a very small boy Charles Cloud came with his family to Redwood City and was a resident of this community until 1900. After graduation from the Redwood school he was for seevral years a clerk in the local postoffice and later was assistant agent for the Southern Pacific Company at Redwood City, San Miguel, and Valencia street, San Francisco. In 1900 he located at Aberdeen, Wash., where he made his home until the first of January when he came to California because of ill health.

During his residence in Aberdeen, Wash., Mr. Cloud was prominently connected with the business, fraternal and political affairs of western Washington. He served two terms as Mayor of Aberdeen, and at the time of his death was the Exalted Ruler of Aberdeen Lodge, Benevolent and Protective Order of Elks. He was a member of the Aberdeen Lodge of Masons, Knights of Pythias, and the Independent Order of Foresters, and for a number of years had been secretary of the Kiwanis Club. He was also a communicant of the Aberdeen Episcopal Church.

Mr. Cloud leaves to mourn his passing his widow, Mrs. Lucille Cloud; a son, Joseph J. Cloud, of Pittsburgh, Pa.; a son, Carl of Aberdeen; a son, Paul, and a daughter, Patricia, of Santa Cruz, where the family located two months ago.

Charlie Cloud will be remembered by local residents as a fine, upstanding citizen. His father and mother were both pioneer residents of San Mateo county, his father having come to the section in the early sixties and his mother in the late fifties. During his residence in Redwood City he was engaged in all the activities of the community.

Besides his widow and children, he is survived by one brother, Roy W. Cloud of this community.

Enthusiasm Greets the Musical Selections of Mrs. Fonda and Pupils

Last evening in the Woman's Club House the concert given by Lily Sherwood Fonda was well attended by an enthusiastic, musically inclined audience that applauded every number of the splendid program. Mrs. Fonda fully demonstrated her fine ability as a musician. She was assisted by the Wednesday Evening String Club, the members of which are her pupils. The club showed its excellent training in the masterful interpretation of the numbers rendered. Mrs. Fonda was highly complimented by her friends for her efforts and for the success of the concert.

HERE'S WHAT CITIZENS SAY ABOUT BONDS

The following statements by well-known local citizens concerning the library bond issue on Monday's ballot are self-explanatory:

"We must remember that Andrew Carnegie donated the money to build our present library.

"At that time Redwood City's assessed valuation was $1,500,000. Today it is over $13,000,000.

"Redwood City's population was then 2500; today 9000 persons live here and it is estimated that the library serves some 13,000 readers.

"Our elementary school was represented by the building that occupied the block on Broadway where the Sequoia Theater is located and represented an investment of about $75,000. Today our elementary schools, Central, Washington, Lincoln, Garfield, McKinley and the new school on Jefferson avenue represent $558,000.

"Our high school was represented by the present Central school on Broadway and cost $80,000. Today our high school, located at El Camino Real and Broadway, represents nearly one million dollars.

"Would any one dress his son or his daughter, now of age, in the same clothes that they wore when an infant? Ridicule and humiliation would result.

"We can build today at less cost than at any other time.

"If we are ever to get out of this depression we must accept responsibility as individuals and co-operate to restore confidence; this can be done by building the things that are necessary in our communities; the new library building is a necessity in our city and I am happy to assist in the campaign to secure a library that will adequately meet the requirements of our city.

"I am a heavy taxpayer of our city, I have devoted my every effort to hold down our expenditures; our council has reduced the tax rate in past years, yet, I am for the library bonds."

DANIEL R. STAFFORD,
Mayor.

"To the average Redwood City family the social and educational advantages of an adequate public library greatly exceed the economic aspects of the $1.06 which is estimated to be the annual cost per family of a new library.

"In providing proper influence, the library is an additional safeguard in the welfare of our children.

"The construction of a new library building at this time will give work to local tradesmen who are now unemployed, and the final achivement will be another outstanding asset to Redwood City.

"I am in favor of the library bond issue to be voted upon April 11."

JOHN GILL.

"Redwood City's need of a new library building has been definitely recognized and I am certain that to vote a bond issue for its immediate construction will mean a saving to the taxpayers through the low costs of material and labor which are now in effect.

WILLIS E. AYER.

"The inadequacies of space and content of our present public library should seem obvious to any one who has had occasion to use its facilities. With the present favorable condition of the bond market and low cost of materials and labor, the community should at this time by all means take advantage of these facts to correct our shortcomings in this respect."

C. B. STONER.

"Our present library building is 27 years old and was built to accommodate a town of 2000 people. That it is not adequate to house a library for a city of 10,000 population is self evident. We must also consider the fact that it is possible to build a great deal more economically now than it is likely to be in the future.

"Next to good schools a good library is the most important educational feature a town possesses.

"We have the schools; do not let us neglect the library."

CHARLES G. LAMBERT.

"No one can deny the necessity for a larger city library. I believe the time to build is now, while building cost is low and good bonds are selling at a low rate of interest.

C. M. DOXSEE.

"I am in favor of the library bond issue because it will provide the sort of improvement which Redwood City needs to keep it abreast of the other progressive communities on the peninsula. Our fine school system challenges us to match it with an adequate library. I favor the passage of the bond issue April 11."

MRS. C. D. JESSUP

"Relief of unemployment and return to normal conditions can be brought about only by actual physical demonstration of our faith in the future of our city. Redwood City is in dire need of a new library and to build it at this time would be to achieve a two-fold objective. Then, too, the sale of the present site of the library for business property will materially bind together the business section of Broadway, enhancing the value of the shopping area. I am earnestly in favor of voting the library bonds at this time."

ARTHUR W. GERGEN.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Accept a substitute. 25c at all stores. © 1931, C. M. Co.

Who makes your *Fire Insurance* Rate?

Property owners—individually and collectively—create the conditions which determine the cost of their fire insurance.

There is nothing secret in the making of fire insurance rates. Several major facts enter into the determination of these charges, such as construction, occupancy, the quality of private and public fire protection, exposure from other property and general loss experience.

ELIMINATE HAZARDS

Stock Fire Insurance Companies maintain bureaus to assist in eliminating fire hazards or correcting defects which may affect your rate. The advice of such bureaus is offered to you free of charge through your insurance agent.

Garcia Slated To Pitch For Local Preps

By EL THOMAS

Far below its best strength, the Sequoia varsity baseball team will meet the undefeated Burlingame high school nine in a Peninsula Athletic League game at Redwood City this afternoon at 3:30 o'clock.

Elbert Garcia of Sequoia and "Lefty" Hallett of Burlingame have been selected as the starting pitchers, with Capt. Leo Le Roy of Sequoia opening the game at right field ready to replace Garcia if necessary.

Coach Leonard Casanova is depending upon the prospective services of two regulars who have been out of practice most of the week. Gene Miller, who underwent a minor operation two weeks ago, took part in a few innings of a practice game which Sequoia won from Belmont by a score of 7 to 5 Wednesday and he may be able to start in left field tomorrow. When he is in top shape, Miller is a high class first baseman. George Jelich, who cut his hand in woodshop earlier in the week, played some yesterday and is counted upon to work in the center garden against Burlingame. Carl Shine, a regular outfielder, is definitely out of the game.

The Cherokees practiced yesterday against the southpaw delivery of Bob Kenaston of Belmont in order to prepare for the left-handed offerings of Hallett, Burlingame's port-sider.

Garcia and Le Roy will work particularly upon Talcott, the Burlingame first baseman, whose consistent hitting this season has enabled Burlingame to defeat Jefferson and Half Moon Bay in its two league starts.

The prospective lineups:

Sequoia	Burlingame
Byrd, c.	Williams, c.
Garcia, p.	Hallett, p.
McGuire, 1b.	Talcott, 1b.
Steiner, 2b.	Gordon, 2b.
Tognoli, 3b.	Stern, 3b.
LeBlanc, ss.	Buccheri, ss.
Miller, lf.	Miragliotta, lf.
Jelich, cf.	Ohran, cf.
Le Roy, rf.	Anderson, rf.

Raising the average child in the average family until it is 18 costs its parents about $7,200.

PROSPECTS STEADILY BRIGHTEN

No one, who reads the papers and keeps informed on the political situation, can doubt but what there has been a marked improvement in the chances for Mr. Hoover's re-election and that the situation is growing brighter with each week.

Every state convention or state committee that has held a meeting to date has declared their support of him and promised their delegates.

S. F.'S INTEREST IN PENINSULA BASED ONLY ON SELFISH GAINS

Nothing is so uninteresting to us here as a city council fight in Puyallup, Wash., or Peru, Ind., unless we happen to come from those towns. Here, however, we take considerable interest in our city government, and we likewise will excuse the people of Puyallup and Peru if they fail to be interested in us.

It is that way with San Francisco and its peninsula neighbors. It is "foreign" to us; a city that is densely populated; self-centered; concerned with its own governmental problems. Its people do not care who make up our city councils, who is our sheriff, county clerk, or assessor. But we do. To us it is tremendously important. We may be growing fast; we may be building near sky-scrapers, but we still are a scattered, sparsely populated people, we residents of the peninsula. We still want to make our laws; elect our own officials, and keep our fingers on the government's pulse.

That is why the annexation issue, which would put us under the control of a group of politicians whose headquarters would be the San Francisco city hall, is so unpopular with us.

DROWSINESS IS TREACHEROUS WHEN ATTACKING AUTO DRIVERS

Three persons were hurt—one very seriously—Sunday because two automobile drivers went to sleep at the wheel. The incident dramatizes once more the danger that lies in the practice of continuing to drive when extremely tired. No driver, to be sure, would intend to drive until falling asleep. He may realize that he is growing drowsy, but decides to stick to it a while longer. But the borderline between mere drowsiness and actual sleep is treacherously indefinible. The only safe plan for any driver is to give up the wheel in earlier stages of fatigue, never waiting for drowsiness itself to develop.

MAKING PRESIDENT THE GOAT IS OLD CONGRESSIONAL CUSTOM

Party leaders in Washington say that the bill calling for two billion dollars in full payment of the soldier bonus is likely to pass the house, and possibly the senate. Indeed, President Hoover's indication that he will veto the bill if it reaches him merely increases the possibility that the measure will pass congress. If the congressional members know that the president's assured veto can be counted on to save the treasury from the disastrous drain which a bonus bill of such proportions would mean at this time, they can almost certainly be depended upon to vote in favor of it themselves for the personal popularity effect at home "among the boys."

KIN OF MAYOR IS TAKEN BY DEATH

Mayor D. R. Stafford yesterday learned of the unexpected death Wednesday of Mrs. Elizabeth Stafford, wife of Dr. David E. Stafford, of San Francisco. Dr. Stafford is a brother of Mayor Stafford. Mrs. Stafford was the mother of Peggy, David D., Betty, Joan and Robert F. Stafford, and a native of San Francisco. The home is at 2513 Broadway, in that city. Funeral arrangements were being made today.

Victim Of Auto Is Dead In San Mateo

SAN MATEO, Apr. 5—James Le Fevre, 18, of 19 Hobart avenue, died in the Community Hospital yesterday of injuries incurred Sunday night in a local automobile mishap.

A car driven by Le Fevre and one driven by Kenneth Walsh, San Francisco stock broker and Burlingame polo player, collided.

EASTERN JOCKEY HELD FOR CHECKS

Larry O'Neil, 27, jockey, was booked at the county jail Wednesday by Redwood City police for issuing several fictitious checks to which, Deputy District Attorney Harold Anderson and Officer William Hogan report, he has confessed.

A check for $30 to repay Donald Bourquin on a horse deal that fell through, one for $8.50 to William Hill, taxi driver, and one for $15 to Paul Silva, Woodside, were charged to O'Neil.

Joe Crammer Taken To State's Prison

Joe Crammer, 30, San Gregorio rancher, Tuesday was taken to San Quentin prison by Deputies Thomas Maloney and John Simpkin of Sheriff James J. McGrath's office, to begin an indeterminate sentence for assaulting Miss Lottie Brotherton, 15, and her mother, Mrs. Louise Brotherton, San Gregorio widow.

Woodside

The first meeting of the Woodside Gardeners' Association on Monday evening proved most successful and showed that there has been a real need for such an organization. The speaker of the evening was Mr. Saunders of the California Nursery at Niles. Eleven new members were admitted and O. E. Blackington was appointed one of the trustees of the association. There were many beautiful and instructive exhibits of cut flowers and potted plants and as these gardeners are those in charge of the many beautiful estates at Woodside one can understand that the exhibit was quite well worth looking at. The gardeners winning prizes and the estates represented were as follows: First prizes. Cut flowers, O. E. Blackington (J. A. Folger); tulips, Vincent Goso (Dr. A. B. McKee); board of pansies, Kurt Schmidt (Rayner); potted schizanthus, Tony Scavo (Pond); potted calceolaria, Tony Silvera (S. Harris); potted cineraria stellatta, Tony Silvera; potted cineraria grandiflora, Kurt Schmidt.

Second prizes: Tulips, Victor Cavanesi (G. B. Somers); cut flowers, Dick Springall (Dr. Alanson Weeks); pansies, Tony Dedo (Schurman); schizanthus, Kurt Schmidt (Rayner); calceolaria, V. Canavesi (Somers).

A card party will be given by the association at the school auditorium on the evening of May 18th at 8 o'clock. Score cards 35 cents, including refreshments.

A very pleasant surprise party was given Saturday night to Mr. and Mrs. Peter Duzanica by their children, Katherine, Anne and Peter Duzanica. The occasion was the 25th anniversary of their wedding and the party was given at the home of Mr. and Mrs. Walter Jelich at Portola. The guests included Mr. and Mrs. W. Jelich, Bill, Walter and George Jelich, Mr. and Mrs. Ray Jelich, Mr. and Mrs. J. N. Duzanica, Mr. and Mrs. P. N. Duzanica, Mr. and Mrs. J. Plestina, Anne and Louis Plestina, Ned Radich, Tony Sevely, Mamie Mangini, Elizabeth Ramies, Mr. and Mrs. P. Milovina of Mountain View, Mathew, John and Marion Milovina, Mr. Mathew Loushin Sr., Mr. and Mrs. Mathew Loushin Jr., Messrs. Frank and Ludwig Loushin, Mr. and Mrs. J. Krasovic, Mr. and Mrs. James Tranchina, Mr. and Mrs. Dominic Tranchina of San Francisco, John Volpiano, Bob Nahmans and Andrew Loushin. Games, dancing and refreshments occupied the evening until a late hour.

The American Legion posts of Santa Cruz, Santa Clara and San Mateo counties held a dance at New Portola Park last Saturday which was attended by 800 members and their friends.

Miss Priscilla Jarvis celebrated her 12th birthday on Monday afternoon with a birthday party to which 12 of her friends and schoolmates were invited.

The Woodside Parent-Teachers Association held its regular monthly meeting on Thursday afternoon at the school auditorium.

The annual health examination for children under school age will be held at the school under the direction of the P.-T. A. health committee on Tuesday morning beginning at 8:30 o'clock. Dr. Howe of Redwood City will be the examining physician and Miss Florence Boddy will be the nurse. There is no charge for the examination and it is an excellent opportunity for parents to discover whether their children are really enjoying the health to which they are entitled.

The Woodside Firemen's baseball team won another lap of the race on Sunday when it defeated the O'Brien, Sportono and Mitchell team from San Francisco with the score of 8 to 2. What is looked upon as one of the crucial games of the season will be played on Sunday at 2 o'clock against the Eagles of Redwood City. If the local boys survive this contest, they will be on a clean slate for the season.

A dance will be given for the benefit of their baseball team by the members of the Volunteer Woodside Fire Department at the Woodside Hall on Saturday night. The committee in charge is, Peter Duzanica, Andrew Loushin, Jack Hosford, Bob Nahmens and Tom Shine. Manie Freitas' "Red Devils" of San Mateo will furnish the music. Tickets are 75 cents and 25 cents.

At the election for fire commissioner held in the Woodside Fire District on Monday, Edward L. Beck, incumbent, was returned to office by unanimous vote. At a meeting of the commission held on April 5 the department was reorganized. Hereafter the title and authority of chief will belong to E. L. Beck but the active charge of the fire house and apparatus will be in the hands of Assistants John Volpiano and Bernard Bernasque.

$10,000 AWARDED BY R. C. JURY IN ACCIDENT SUIT

A jury in Superior Judge George H. Buck's court Monday gave $10,000 damages to Mrs. Edith M. Christiansen of Santa Cruz for injuries incurred in Redwood City on December 21, 1931, when two automobiles collided at Main and Chestnut streets.

The judgment was against C. F. Brill, driver of one car, and the Gas Consumers' Association of San Francisco. Mrs. Christiansen's right arm was broken and she suffered an injury to her eyes of a permanent nature. She formerly managed a Santa Cruz hotel, which duties she was forced to relinquish in favor of her husband.

Mrs. Lena Barker, also of Santa Cruz, recently was given $1000 damages as the result of the same accident in a case heard in Superior Judge Franklin Swart's court.

The story hour, valuable for helping young children to become acquainted with the really worth while books, has been tried, but failed because of the lack of room for comfortably seating the youngsters.

Students go to the library to study, and many are forced to sit in places which were never meant for seats, while others must stand up and write.

There is no work room, so that all of the regular daily routine work of the library must be done at the desk in the public room, much to the annoyance of the public as well as the librarians. The lighting is extremely poor, and the roof leaks every winter.

A new building would provide a large, comfortable reading room for adults, and one just as attractive for children. An attractive feature would be a students' room. Adequate work rooms would be provided.

Now during this nation-wide depression is the time to build a new library in Redwood City, because the cost of material and labor has gone down so much that it is cheaper to build now than in times of prosperity. Redwood City men would be put to work, thereby assisting the community to solve the problem of unemployment.

There would be a 4¾ per cent rate of interest to pay on the bonds, which would mean that the average owner of a $2500 home would have an increase of only $1.06 in taxes the first year.

Should not preparation be made for the increasing population to come? Should not the present population be given the advantage of a good library to correspond with the wonderful school system already established?

Surely the citizens of Redwood City will realize the dire need of a new library, and will pass the $60,000 bond issue, which will bring their dreams of a perfect town into reality.

Man Charges Stock Sold Without Permit

D. G. Schiel, 152 Vera avenue, today has on file with County Clerk Elmore B. Hinman a complaint against several stockbrokers alleging that he has been sold $1,006 worth of stock on which no permit had been issued by the state.

Mason L. Williams, Williams and Company, Robert R. Gordon and the Columbia Casualty Company are defendants. Gordon on June 3 and again on December 2 is accused of selling the 1,006 shares of stock to Schiel. Each was valued at $1. The stock was that of the International Corporation.

Attorney Frank Lee Crist of Palo Alto prepared the complaint.

Sympathy of Court Inspired in Case Of Homeless Waif

A young man, aged 18, was up in Judge Swart's court yesterday afternoon to be sentenced for burglary committed in the county a short time ago. He was given probation for two years, 60 days of which is to be passed in the county jail.

It was a pathetic case. The boy did not know where he was born, di dnot know whom his parents were. He was brought up by some family and at a tender age was turned loose to drift on the sea of life, buffeted on all sides by the waves of adversity, finding no anchorage nor a safe harbor in the unsympathetic waters.

No wonder that he strayed and went the devious way. No one to guide or advise him, no one to point out to him the good that comes from a well spent life and the evil that follows a life of crime.

He was just a little waif from nowhere, perhaps found on some door step and picked up by some kind person that wanted to help him, but could not. Just a drifter. Could he be otherwise? Turned aside by a cold world. No encouragement of any kind. Becoming hungry he broke into a butcher shop and grocery, removing merchandise to appease his appetite.

The court felt a deep sympathy for the boy. Judge Swart declared the lad had no breaks in the world. He advised the boy to settle down and endeavor to find himself and become a good citizen. Little hope, however, was held for the young man as his weakness to drift had a firm hold upon him. It might be hard for him to break the chains that bound him to the life of a hobo.

No doubt the future will some day will provide meansaef,mordl of these unfortunates who come into the world shrouded in gloom and burdened with all the ills that life can bestow. The sooner the better.

YOUNG PRISONER GIVES VIEWS ON CRIME SITUATION

"The law ain't much—"

"'Legs' Diamond beat it, until gangsters bumped him off—"

"If you send me to Preston, I'll learn 'plenty.'"

Those are three of the views of Tim Morris, 16, San Francisco lad, who is held in the county jail on a charge of burglary. Morris, according to Deputy District Attorney Harold F. Anderson, today had confessed to some 17 burglaries in San Francisco and Daly City.

He pleaded ignorance of any more than that, if there were more, and said:

"I can't remember all of them. You have enough to send me up for 50 years now, for crying out loud."

Morris is the "Lone Wolf" who burglarized a Daly City chain store.

The citations which comprise the Lesson-Sermon will include the following from the Bible: "Lead me in thy truth, and teach me: for thou art the God of my salvation; on thee do I wait all the day. Good and upright is the Lord: therefore will he teach sinners in the way. All the paths of the Lord are mercy and truth unto such as keep his covenant and his testimonies" (Ps. 25:5,8,10).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is 'of purer eyes than to behold evil.' We sustain Truth, not by accepting, but by rejecting a lie. If mankind would relinquish the belief that God makes sickness, sin, and death, or makes man capable of suffering on account of the malevolent triad, the foundations of error would be sapped and error's destruction ensured" (p. 357).

GUARDIANSHIP CASE AWAITS MRS. HOWARD

Not before the return of Mrs. Fannie May Howard, Hillsborough society matron from France, will Superior Judge George H. Buck consider her removal as guardian of the person of her boy, Robert S. Howard, 15, Menlo School student, the veteran jurist announced today.

Judge Buck today took under submission the demurrer of Mrs. Howard to the complaint of Charles S. Howard, auto magnate, who is seeking her removal. Mrs. Howard said the complaint failed to specify acts which proved neglect of her duties as guardian of the boy.

The jurist also said that an early ruling would be made on the question of removing the Bank of America as trustee of the boy's huge estate.

Menlo Park

The Family Club House building on Live Oak Lane was duly dedicated Sunday afternoon by the owners who had prepared a banquet and program for the many friends of the widely known club. The first courses being finished the hours following gave way to speech making. Among those to congratulate members of the organization were Mayor Weeden; Mr. McDonald, the planning commissioner; Geo. H. Chiossi, connected with all the Italian organizations of the county, John Fricci, M. Gerbo and numerous others. The event will long remain green in the memory of all present.

Wednesday evening the local post of the American Legion entertained a large number of its members at its headquarters in the Kuck hall. Comrade Paulman regaled the gathering with war scenes, ever dear to the heart of the veteran, Many battlefields were shown in which several of the members fought.

W. H. Weeden and Edward Hart are seeking the office of trustee at the election to be held on Monday next. Both are candidates on the same ticket. That they will be chosen by big majorities is a foregone conclusion. There are two vacancies. Mr. Weeden, who has served on the city council for a number of years, is seeking re-election to the position he has so admirably filled. Mr. Hart, a professor at the Menlo Junior College, is after the other place. This is his first entrance into politics. He is anxious to serve the people. With these two men on the city council harmony is sure to prevail and with unity and co-operation much may be expected from the city governing body.

This is the last issue of the Times-Gazette before the city election on Monday next and again we urge the election of Mayor W. H. Weeden to the council. A vote for him is a vote for progress and an endorsement of the vast city street improvements done under his administration during the past two years. If the voter believes that this much needed street work was proper and should be done to the betterment and advancement of Menlo Park then he should cast his ballot for Mayor Weeden. If this work, so auspiciously started under the present administration, is to continue, Mr. Weeden should be retained on the council. To remove him would be a step backward. He is acquainted with the procedure, is a contractor by trade, with his vast experience in building is in a position to do more than any other citizen for the people in road construction. Then, too, he is honest and painstaking, willing and ready to give his time and talent to the service of the city he loves so well without compensation. Mr. Weeden has passed almost his entire life in this community, growing up with it and watching it advance. Its interest is his interest. To see it advance is his delight. Retain Mr. Weeden on the council. Show your appreciation of his past work on the council by giving him an overwhelming vote on next Monday and thus be assured of progressive and honest city government for two years more. Vote for W. H. Weeden.

One of the most exciting elections in the history of Menlo Park will take place next Monday and while some bitterness has been injected into the campaign the issues have been fairly presented to the people so that the voter may go to the polls next Monday fully informed as to how the city government has been conducted during the past two years. Five candidates are seeking the two places on the council. They are, W. H. Weeden, Edward Hart, Thomas Furman, former city chief of police, Alexander Walker, former councilman, and Alfred Mielke. For city clerk three candidates seek the position, Mrs. Fannie I. Kurtz, the incumbent, Mrs. Winifred Brown and Mrs. Violet Walrath. For city treasurer, J. W. Ryan and Lloyd Douglass.

The steeple chase on the Sand Hill road Sunday is certain to draw a large attendance. Last year it rained on the day of the big event. Should Sunday be fair the green hills of that locality will be dotted with humanity to watch the thrilling events. It was arranged to exhibit Phar Lap on this occasion, but he has passed on and into the racing fields above, and will not be present. His presence would have brought a tremendous crowd to see the Australian wonder.

Last Monday Charles Merrill was re-elected a member of the Menlo Park Fire Department for the fourth time. Sixty votes were cast and he received them all. But few voters knew of the election and did not come to the polls. Mr. Merrill makes a splendid commissioner and there is no need of a change. It's lucky for the town when we can get such men to serve. No compensation is attached to the office. Glory is the only pay.

The Mothers' Club will sponsor a card party in the Hall of the Nativity this evening. A large crowd is expected as a number of valuable prizes are to be awarded the winners of the contest. The prettiest girls in town are to do the punching.

A big meeting of the friends of Weeden and Hart, candidates for trustees, will be held Saturday evening in the Family Club on Live Oak Lane. All are invited to the gathering. The meeting will hear reports of committees and arrange for getting voters to the polls next Monday. It will be a sort of pre-election celebration for the election of Weeden and Hart is certain—just a case of how large their majorities will be. Come and take part in the jollification.

Owing to the fact that Mayor M. A. Harris is removing just outside the city limits of Atherton, he will have to retire as an official from that growing municipality. Rumor has it that Joseph A. Donohoe, now a member of the city council, is to be the next mayor. A better choice could not be made for Mr. Donohoe has ability to preside with dignity and honor at the meetings and has poise and good judgment. These qualifications are sure to make him a successful executive officer of that wealthy community. Mr. Harris leaves a high standard of efficiency but Mr. Donohoe will measure up to it.

Judge Hoss on Monday last suspended the sentences of Sing Wong and Tom Gum, charged with smoking opium at a local Chinahouse. The former had received 50 days and the latter 30 days. The evidence was not sufficient to send them to jail. Attorney Whitthorne appeared for the celestials.

Thomas Glynn, the local singer, has broken into the movies, having gone some time ago to Hollywood to take part in a picture now being produced by a national company. Mr. Glynn, who has a splendid voice of volume and sweetness, is to take a singing part in the play.

Citizens' Committee of the City of Menlo Park, California

Gentlemen:

I have been asked by some of the members of your organization to make a statement regarding my personal reactions on the past performances of the present administrative party of the local government, your mayor, councilman, executives, etc.

To a stranger entering any community as a citizen and taxpayer he can only judge officials and the results of their work that is apparent and accept them, as he does the dollar in hand, namely, "upon its face value," irrespective of whose picture or name he finds upon his bank note. Such is the position I am in at the moment.

When I moved into Menlo Park with my family and purchased the property I now occupy, and have occupied for the past four years as a home, at the corner of Oak Grove avenue and Laurel street, I was amazed to find that my property was the only one in the neighborhood that could boast of having a decent concrete sidewalk.

It was absolutely necessary, to avoid mud and a stoney, uneven, dirt walk, to take to the middle of the road which was also uneven, full of holes and altogether uninviting. I refer most particularly to that section of Oak Grove avenue from the railroad track to the corner of Laurel. This street was dark at night, owing to the lack of adequate lighting, and dangerous both for pedestrian and machine traffic.

Under the present administration we have in this district a splendid thoroughfare on Oak Grove avenue and other adjoining streets, a well paved and curbed roadway and sidewalks made of concrete on both sides of the street and on the whole, presenting a very attractive boulevard appearance. The property owners have shown a renewed interest in the appearance of their lawns and hedges and have evidently taken special pride in making their homes generally attractive to the eye by repainting a number of them, planting flowers and generally beautifying their homes on the street. The moon is no longer required to do the major portion of lighting at night, as there has been introduced a splendid system of lighting along the entire thoroughfare, truly one which would do credit to the most progressive town or large city in the state.

My personal contact with the officers could not possibly have been more pleasant and their conduct of their official duties more courteous and satisfactory as to efficiency than I have found here.

While it is true that one hears complaints from some of the citizens now and then, I am free to state that they are mostly upon the matter of economics and such must necessarily follow at a time when the whole world is enshrouded in a haze of economic bewilderment. However, personally, I am more than satisfied to have contributed to the good work which has been done as above mentioned and from my observations in other parts of the city, there is much more to be done along those lines and in my judgment careful consideration should be given, not only to that fact, but the fact that the work has been handled by competent, and I believe, honest men. I also feel confident that most of the property owners and the citizenry, from my observation, is composed of a class of people who will stand by an honest progressive efficient administration and will support it and that goes for all from pound master to mayor and from mayor of Menlo Park to the president of these United States of America.

(Signed)

JAMES H. RAYMOND, M.D.

Mr. and Mrs. William B. Simpson of Chicago will leave that city on April 9 for California, planning to spend the summer at their Menlo Park home.

Taxpayer Makes Public Endorsement of Mrs. Brown for City Clerk

Editor Times-Gazette:

As a citizen and taxpayer I endorse the candidacy of Mrs. Winifred Brown for city clerk at the election to be held next Monday. I personally am aware of her efficiency and capability for the position. If elected, and she certainly will be, she will make a capable official, one that the citizens of Menlo Park may be proud of. I urge the voters on next Monday to cast their ballot in her behalf.

A TAXPAYER.

Trial Date Fixed For Battery Case

George A. Green, 51, Menlo Park tree surgeon, and Harvey Huesties, 28, former Menlo Park police officer, surrendered yesterday afternoon to a complaint charging battery.

Appearing today before Justice of the Peace Edward McAuliffe, they pleaded not guilty and trial was set for April 13 at 10 o'clock. Guy Hughes, Palo Alto tree surgeon, charged the men with battery.

Ex-Officer Huesties said he was innocently drawn into a dispute between Green and Hughes, former partners.

derson of District Attorney Edmund Scott's office.

Bail was set by Justice of the Peace Edward McAuliffe at $2500 cash or $5000 bonds at the arraignment on Wednesday. The preliminary hearing was set for April 15 at 1:30 o'clock.

According to Kreis, Barber is accused of setting fire to the plant on September 3, 1931, at 10 o'clock p. m. Quick work of the fire department resulted in no more than $300 damage, it was reported to Anderson. This fire is the basis of Kreis' complaint.

At midnight, December 5, the factory again broke into flames and this time was destroyed. Barber, it is reported, was paid $4500 by an insurance company. Since then the factory has been rebuilt.

Barber was taken into custody Wednesday afternoon in Oakland at the home of his brother, I. T. Barber, 2416 Eighth avenue. Deputy Sheriff Thomas Maloney and Deputy District Attorney Anderson went to Oakland to bring him back. Deputy Sheriff Grover Mull of Alameda county, former Atherton police chief, accompanied the San Mateo county officers to the place where Barber was staying.

Extermination Of Beetles Requested

The plea of 16 residents of Selby lane, Randol avenue and Stockbridge avenue, south of Redwood City, to have the board of San Mateo county supervisors order the removal of beetle-infested trees along those roads, has been taken under advisement and will be acted on April 18.

It is asserted in the petition that the pine beetles threaten destruction of all trees, shrubs and brush on the properties of the plaintiffs. Max J. Leonard, county agricultural commissioner, is prepared to report on the matter to the board.

REGIS CHILD TO BE TAKEN FROM MOUNTAIN HOME

Miss Rose Regis, 22, Redwood City Chinese girl, who is seeking custody of her "love child," Robert, 5, has won a point in her second skirmish with the Mayflower Lodge, Santa Cruz mountain home for unwed mothers.

Superior Judge P. F. Gosbey of San Jose, while not granting her custody of the boy, ruled that the child should not further remain in the home but should be turned over to the Santa Clara county juvenile authorities.

NEW 'BUTTERCUP' IN PINAFORE SHOW

"H. M. S. Pinafore," the famous comic opera which will be presented at Sequoia Union High School Saturday evening and at a student matinee this afternoon at 2:30 o'clock, will have a new Little Buttercup after all.

Miss Marjorie Landers, originally cast for the part, has been advised by her doctors not to attempt to carry the role because of injuries in an automobile accident.

Mrs. Claude A. van Patten, wife of the Sequoia dramatics coach, is the new Little Buttercup. Mrs. van Patten has played the same part in previous performances of "Pinafore" and is well prepared to join members of the Sequoia faculty and the student choral classes in staging the Gilbert and Sullivan operetta, according to Otis M. Carrington, director.

The stage setting, representing the deck of a battleship, was completed today under the supervision of J. Edwin Spence. The entire boys' chorus in blue uniforms will make up the ship's company, while the feminine costumes will be those of 70 years ago, when "Pinafore" was written.

Good reserved seats for the Saturday evening performance are still available at the high school and at Ryan's drug store at 50 cents each.

DENVER.—Despite the legal permission to have liquor in his possession, Jimmie Tighe was arrested and fined $25 for a traffic violation. Tighe had the liquor — prescription stuff—in his possession, all right, but it was inside of him. His charge was drunken driving.

The family "purchasing agent"

In order to buy the family needs and still keep within one's budget requires business judgment as well as knowledge of values.

Some women make sure expenses stay within their budget by depositing to their "reserve account" every first of the month as soon as money is received.

The First National Bank and San Mateo County Bank invite you to discuss your financial affairs. Our officers may be able to help you plan savings methods, or assist in outlining a workable budget.

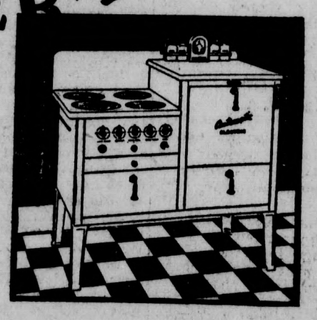
to operate the modern fast electric range



"How MUCH does an electric range cost to operate?" asks the clever woman shopper.

The answer is that it averages but one cent a meal per person. This has been determined by examining 1,117 electric range users' accounts.

Surely it is worth 1 cent a meal per person to let the electric range do your cooking *automatically*. When friends come for dinner you are the hostess. Not the cook.

Modern electric ranges are speedy. The oven heats up to 400 degrees in 9 to 11 minutes. Compare this with the time it takes to mix breakfast biscuits. You'll find, no doubt, that the electric oven is faster. Now take the surface cooking elements. During the last few years they have been speeded up. On the new electric range, surface cooking elements are as fast as you'd want them. Yet they are not excessively hot. They are regulated to eliminate scorching and to prevent frying grease from evaporating. Your kitchen, as a result, stays *clean*.

Consider the new electric range from the point of view of saving your time in the kitchen. After all, slaving in the kitchen never did any one good. Then consider the excellent food that it cooks automatically and with precision. Surely you'll want to take advantage of our Special Offer, which includes easy terms.
